# LEGENDARY FLY-FISHING

Every fisherman has an image of the perfect trout stream: cold rivers, stunning scenery, solitude, and large, eager fish. Here, you'll redefine your image of perfect — as you float through it every day. You'll cast to rising fish again and again whether you're wading off the banks of the Clearwater or floating the Missouri or Blackfoot Rivers. The rivers are legendary, much like your fishing tales to come. These perfectly untamed wilderness rivers offer unrivaled dry-fly fishing for species such as the wild Westslope Cutthroat Trout. So, if you'd like a chance to find fly-fishing heaven, join us at Paws Up for the angling adventure of a lifetime.

## RIVER ADVENTURES

The Resort at Paws Up offers three types of river trips for all levels of adventure. For guests seeking a leisurely, quiet excursion, there is the Clearwater canoe adventure which is fun for all ages. Those wanting a bit more excitement can float down the Blackfoot River with its class I and II rapids in a raft or inflatable kayak. For the ultimate thrill seekers, we offer a full-day whitewater adventure on Alberton Gorge, class III+ rapids. Of course, you can always settle for a refreshing dip in the Blackfoot River at our designated swimming hole.

## WORKING RANCH ACTIVITIES

Paws Up is situated on a sprawling, 37,000-acre working cattle ranch. Join us for authentic western ranch activities like a cattle drive. Novice and advanced riders alike will team up with seasoned ranch hands in driving a herd of cattle for the experience of a lifetime. You'll saddle up your horse and set out to gather the cattle and trail them to the working corrals, sort them, then trail them back to their home pasture. It's an unforgettable adventure that will help you discover your inner wrangler.

# SPORTING CLAYS

Sporting Clays is a challenging, fun and competitive clay target game that simulates actual field hunting. Shoot on specially designed courses that resemble real-life field conditions – the lure of the sport lies in its realism. Our sporting clays installation features a 12-station course that throws a diversity of aerial target presentations. The clays cross, climb, zip in, fly out, or streak high overhead at speeds and angles accurately simulating the flight patterns of game birds.

There's no better way to see a 60-square mile ranch than on your very own quick and agile ATV. You'll scale mountains like they're molehills, slice through streams, power through brush, or even cruise to a ghost town. The backdrop is gorgeous, the pace is moderate, and the exhilaration is unforgettable. Paws Up offers a variety of ATV adventures for you to choose from. Warning: ATV riding can be habit forming. If you try one trip, you'll undoubtedly sign up for the others.

## LAKE ACTIVITIES

One of a half dozen lakes in the Clearwater Valley known as the "Chain of Lakes," Seeley Lake is a 1,025-acre aquatic paradise for all types of lake activities. Your inner child will come blasting out as you zip around on your two-passenger personal watercraft. Go for a joy ride in our 19-foot powerboat. Or strap on your skis and show the local Seeley citizens a rooster tail or two. There's also tubing, wakeboarding, a water trampoline, paddle boats and sea kayaks.

# HOT AIR BALLOONING

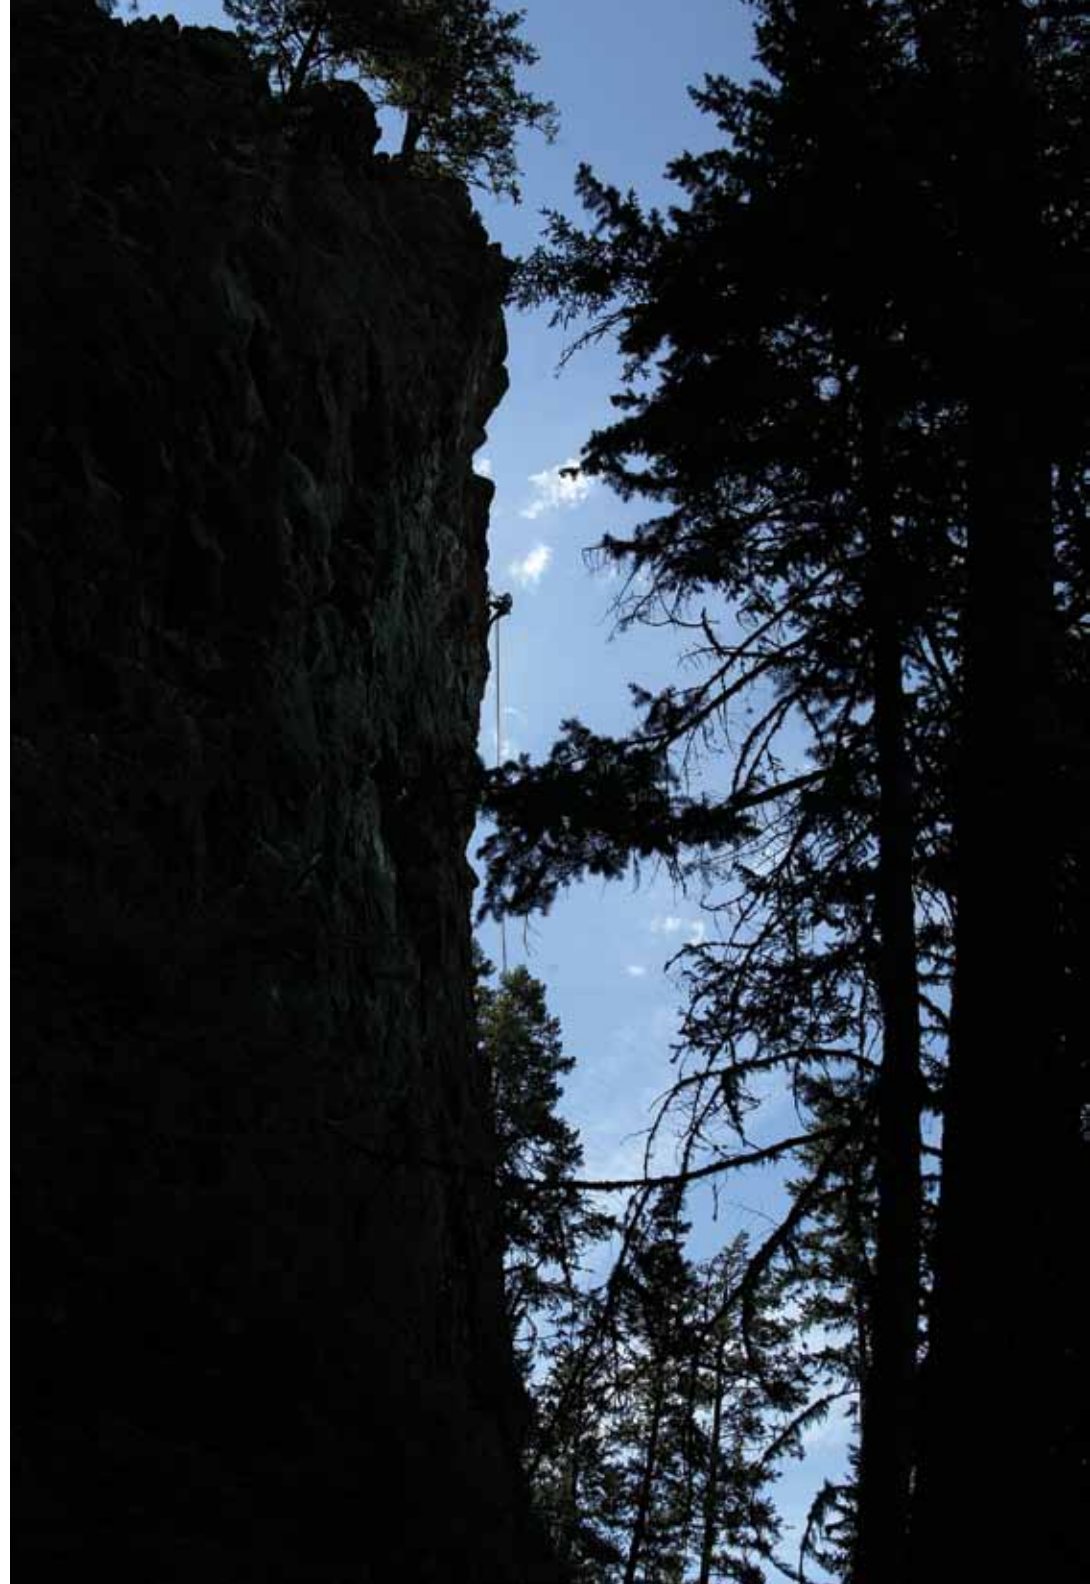

Imagine floating over the historic Lewis & Clark Trail, watching eagles soar below you and the big, Montana sky unfold above. Introducing hot air ballooning Paws Up-style. At times, you'll flow smoothly over the rolling terrain like a silent roller-coaster — inhaling the intoxicating scent of millions of Ponderosa Pines. At other times, you will find yourself brushing the soft grey bottom of a wandering cloud or two. Few visions are as captivating as a balloon's sun-cast shadow gliding effortlessly along the sprawling Montana landscape. Hot air ballooning is an experience. Montana hot air ballooning in the majestic Blackfoot Valley is the experience of a lifetime.

## RAPPELLING

Imagine descending a sheer, 167-foot-rock face as the sun begins to drop in the Western sky. You'll begin atop the famed Lookout Rock, where Meriwether Lewis once stood. After pausing for a moment to admire the stunning views of the expansive 37,000-acre ranch, including the majestic Blackfoot River below, your real adventure begins as you lower yourself by rope down the sheer rock face.
