HOT AIR BALLOONING AT THE RESORT AT PAWS UP

IN MONTANA, THERE'S A VERY BIG SKY
WAITING TO BE EXPLORED.

Let Paws Up's own pilot take you up, up and away in our beautiful hot air balloon. You'll flow smoothly over the terrain like a silent roller coaster, inhaling the intoxicating scent of millions of Ponderosa pines. Then, you'll find yourself brushing the soft grey bottom of a wandering cloud or two. Hot air ballooning is an experience. Montana hot air ballooning in the majestic Blackfoot River Valley is an experience of a lifetime.

Flights depart around sunrise for a 45-minute to an hour-long flight with 4 or 5 passengers per trip (ages 8 and up).
To book a hot air balloon flight, contact the Wilderness Outpost at 406-244-7351 or by using the Paws Up App.

AVAILABLE YEAR-ROUND.

ABOUT THE PILOT | Morghan Chando

"You're going to have a blast." That's what Paws Up Hot Air Balloon Pilot Morghan Chando promises for riders at Paws Up. He grew up in the city that's considered the hot air balloon capital of the world, Albuquerque, New Mexico, home to the world's largest annual balloon gathering. Now, Chando calls Montana home—and says Paws Up provides the perfect backdrop for flying. FUN FACT: Chando's favorite season to fly in is winter! "Winter is the ideal time to fly," he says. "The balloon reacts phenomenally to a burn." In other words, while flying in the spring, summer and fall can be lovely and serene, "during the winter, it's like driving a sports car."
