## LAKE EXCURSIONS AT PAWS UP

There's something uniquely wonderful about a glacial lake. Maybe it's the calm, cerulean surface, inviting you to splash right in. Or maybe it's the remote beauty and spectacular views of distant, rocky shores. Whatever it is, high-mountain lake excursions from The Resort at Paws Up® deliver on the promise of an idyllic retreat.

Zip around on a personal watercraft, skim along on skis or a wakeboard, soak up glistening rays and ogle the majestic Chain-of-Lakes scenery. Your Paws Up guides will handle everything from launching your boat to serving you a tasty lunch.

With two sun-splashed private lakeshores to choose from, you'll have easy access to a wide assortment of wet adventures and relaxing ways to dry yourself off. For anyone who loves the water, this is nature at her very best.
