FOUNDER OF GLAMPING IN NORTH AMERICA

Have you ever heard of glamping? It means glamorous camping and Paws Up is the pioneer of this unique experience in North America. With five separate luxury camps that each house six safari-style tents and a private restaurant, Paws Up is the largest and most sought after glamping destination in North America. The experience can best be described as nature served on a silver platter.

GO FROM SEASONAL TO WELL SEASONED IN A SUMMER

The predominant post-vacation sentiment expressed by our guests is the excellent service they received from our staff. At Paws Up, we invest a lot in our employees with professional training, competitive pay and housing. Opportunities for growth abound as staff members gain the valuable experience that comes with helping luxury travelers discover the great state of Montana.

MONTANA – AMERICA'S ADVENTURE PLAYGROUND

Looking to spend your summer outdoors? Whether you desire to guide guests on a myriad of adventures, or to play outside during your time off, there isn't a better place on earth to explore mountains, rivers and acres of glorious wilderness than at Paws Up. Just 35 minutes from Missoula, you can also immerse yourself in the culture of a hip college town with a thriving nightlife.

BIG SKY. BIG RANCH. BIG OPPORTUNITIES.

John Steinbeck once said, “I’m in love with Montana. For other states I have admiration, respect, recognition, even some affection. But with Montana it is love. And it’s difficult to analyze love when you’re in it.” We invite you to fall in love with Montana this summer as you work under the Big Sky day after day, delivering memorable experiences to interesting guests from around the globe. The Resort at Paws Up – truly The Last Best Place™.
