WINTER 2020 PROGRAM OF EVENTS

A million little reasons to love the season.

We can't help it—we're unabashed lovers of snow. Once it begins to fall, everything is transformed. The world quiets down. It brings out the warmth in all of us, from rosy cheeks to lingering fireside chats. And suddenly there's a huge array of exhilarating new adventures to try. What other season brings us renewed appreciation for both the indoors *and* outdoors?

At Paws Up, you'll find the perfect snowy backdrop for a magical Christmas gathering—just picture sleigh rides, snow tubing and little ones peeking out the window to spot Santa. And all that fresh powder is just the clean slate we all need to ring in the New Year.

And while the rest of the world slows down after the holidays, we keep the excitement going with WinterFest. We're thrilled to welcome an all-star lineup of *Top Chef* alums who will collaborate on cutting-edge cuisine you won't find anywhere else. When you're not feasting, you'll develop a taste for unique wintry activities like curling, dogsledding and skijoring.

We hope you'll be able to visit Montana before all that magnificent snow begins to melt—but not to worry, we've already begun planning for a spectacular spring.

Warmly,

The Lipson Family, Proprietors

A MONTANA CHRISTMAS

Late December

HERE, HE VISITS WHEN THE CREATURES ARE STIRRING.

Round up your nearest and dearest and leave the crowds behind for a picture-perfect holiday getaway. Imagine twinkling lights and glittering snow, gingerbread houses and holiday treats, a personal visit from Santa and your very own sleigh ride. You'll dine on festive cuisine dreamed up by renowned Executive Chef Sunny Jin. You can take the family snowshoeing through a forest full of Ponderosa pines and Douglas firs or simply watch the snow fall from inside your cozy luxury home. Either way, Montana makes Christmas feel extra magical. It's the ideal setting to focus on what matters most: spending together time with the ones you love.

LET OTHER PEOPLE WAIT FOR ONE MEASLY BALL TO DROP.

At midnight in Montana there are fireworks, live music and plenty of bubbly. But the highlight of our New Year's party is what falls from the sky. Say goodbye to 2020 on a snowy expedition via horseback, snowmobile or dogsled. Or choose to relax and recharge, instead, with a spa visit or a dip in your outdoor hot tub. We'll have gourmet meals paired with vintage wines and crackling fires indoors and outside. It's a season that covers the landscape with a fresh clean slate every few days. And that's one magnificent way to embrace the year ahead.
