AT THE RESORT AT PAWS UP | FEBRUARY 12–15, 2021

WINTERFEST

It's not every day you can take a spin around an ice skating rink, follow it up with a dogsledding run and then sit down to a divine meal crafted by some of the greatest chefs in the industry. Indeed, you won't find an event like WinterFest anywhere else—or any other time of year.

Top Chef's most recent winner Chef Melissa King will join fellow *Top Chef* alums Chef Annie Pettry and Chef Brooke Williamson to collaborate on mind-blowing cuisine all weekend long. When you're not dining on once-in-a-lifetime meals and letting loose on the snowy landscape, you'll attend intimate cooking classes, enjoy live music and kick back in your cozy luxury home. The fact that you'll celebrate Valentine's Day as well just means there's more to love.
