Find fun for every age at The Resort at Paws Up.®

GIVE YOUR KIDS ROOM TO GROW.

Out here in the Montana countryside, impossible things become true. Screens stay dark. Families linger around the dinner table. And kids of all ages have the time of their lives. From fishing and family trail rides to river rafting and ghost town tours, you'll run out of days before you run out of activities.

But then again, you might find that having nothing in particular to do is everyone's favorite part. Nature walks turn into adventures spotting eagles and deer. Days are spent exploring and getting dirty, while nights are stacked high with s'mores. Bring the whole family to The Resort at Paws Up, where kids can be kids again.

SIX EXPERIENCES FOR THE UNDER-SIX CROWD

1. PONY RIDES

We would never make you go in circles on some worn-out path. Instead, our wranglers will show you a true adventure on a pony ride through beautiful trails. It's 15 minutes of giggles and photo ops. Parents can tag along, too.

3. THE ISLAND LODGE AT SALMON LAKE

Imagine having a whole island to yourself and your family with boats, fishing poles and a floating trampoline! Cool off with a blackberry lemonade, dip your feet into the clear blue water and let the tiny fishies swim around your toes. At sunset, go for a nice pontoon ride. Ahoy, sailor!

4. CLEARWATER RIVER CANOE TRIP

Head out on the water with a family canoe trip. Relax in the middle while the big kids and grown-ups paddle down a 3.5-mile stretch of the Clearwater River. Notice the stunning views of the Swan Mountains. See if you can spot an eagle. And make sure you get to try paddling, too.

5. GO-KARTS

The race is on! You'll go up to 20 miles per hour around a half-mile track side-by-side with Mom or Dad. Learn to steer around one corner after the next. If you're under six, trackside bleachers provide the perfect spot to cheer on your favorite racers.

6. LITTLE DISCOVERERS AT THE KIDS CORPS OF DISCOVERY

Need to seriously get your wiggles out? Kiss your family goodbye for a few hours and join us at the Kids Corps of Discovery, where you can meet new friends, play games and try tie-dyeing and hunting for sapphires.

2. GARNET GHOST TOWN

Ever been to a real ghost town? We have one that's practically in our own backyard! It's just 20 minutes away to travel back in time to the early 1900s. Explore the general store, hotel, saloon and homes of this uninhabited town. But wait—you don't believe in ghosts, do you?

“TIME TO BE TOGETHER. Time to be off alone on a bike trail. Cousin hikes. Sister-brother card games. Mother-daughter rope climbing. Father-son mechanical bull riding. Three generations of s'mores building. Family memories made to last forever! **IT WAS THE. PERFECT. ADVENTURE.”**
