# COWGIRL. FISHERWOMAN. FOR ONE WEEKEND, BE BOTH.

SEPTEMBER 10–13, 2020

*Adventurous women and girls, join us for two incredible fall events in one. Create your very own schedule and spend an unforgettable weekend learning from inspiring women at the top of their fields.*

What's better than an autumn trail ride through the Montana wilderness? Doing so alongside Cowgirl Hall of Famers. Bond with your fellow cowgirls through enlightening workshops and demonstrations, gourmet meals and tales around the campfire. You'll make enough memories to last you until the next Roundup—when you'll come back and catch up with dear friends.

You couldn't pick a better time of year or better company to learn the ins and outs of fly-fishing. This fall, our Wonder Women series returns with our visiting expert anglers guiding women and girls of all skill levels out on our legendary local rivers. The thrill of being in the spectacular Montana wilds is unbeatable—until you feel the tug of a native cutthroat at the end of the line.
