

COME BACK AGAIN,
ONLY THIS TIME BRING YOUR
WORK FAMILY.

WHAT'S GOOD FOR VACATION IS GREAT FOR YOUR BUSINESS.

Remember the fresh Montana air filling your lungs? Remember the wide-open spaces between one mountain range and the next? If your family enjoyed bonding here, imagine how your team will feel, strategizing and brainstorming while taking in the view. When you consider The Resort at Paws Up for an incentive trip, meeting venue or corporate retreat, you'll see the place in a whole new light. Social distancing comes naturally here. Accommodations are both spacious and private. And an almost endless supply of action-packed adventures provides team-building challenges you've never tried before.

To customize a trip your team will be talking about for years to come, visit go.pawsup.com/work-family.

YOU'LL ALSO DISCOVER:

- Our 37,000-acre Montana ranch has plenty of luxury lodging for groups large and small.
- A skilled Conference Services team can assist you in creating an agenda to meet your goals and maximize your group's privacy.
- Group dining venues are breathtaking, and the cuisine is world-class.
- Meeting spaces, both indoors and out, go far beyond the typical, ranging from the Western authenticity of the Saddle Club to the rustic elegance of a century-old Bull Barn.
