Paws Up is a 37,000-acre luxury ranch resort that's nestled in the foothills of the Garnet Mountains in the heart of Montana's majestic Blackfoot Valley. The Resort is framed by vistas of the Bob Marshall Wilderness, the Scapegoat Wilderness and the magnificent Mission Mountains. Ten miles of the legendary Blackfoot River meander through the center of the property. This is the country Lewis & Clark swooned over. This is *The Last Best Place*.
