The Resort at Paws Up features the largest private equestrian center in Montana: the Saddle Club, with a 29,000-square-foot riding arena and 52 stalls. Inside, guests take instruction under the keen eye of our horse trainers in private lessons, group rides, horse-care demonstrations and the Junior Wrangler Program.

The Saddle Club is home to Horsepower: Where Mustangs and Mindfulness Coexist for groups who want to learn more about our mustang rescue program. The heated arena also plays host to a variety of winter cattle-working options for guests who want to get the full ranch experience in an indoor setting, and the Saddle Club's barn is the perfect venue for large family gatherings or group dinner parties.

All Equestrian Adventures will originate at the Wilderness Outpost, which is located at the end of Whoa Road (please refer to Village Map).
