Sit, stay and find plenty of time to play during our annual weekend devoted to all things four-legged and fun. You'll enjoy a feast fit for a (Cavalier) king, and then you can take part in the ninth-annual Canine Classic run/hike. Whether you're at the head of the pack or the very tail end, you and your pooch are helping a very deserving cause. The top fundraiser who brings in \$3,000 or more for shelter pets wins the grand prize, a two-night glamping trip for two at The Resort at Paws Up (a \$6,000+ value). Exciting prizes for other top fundraisers will also be awarded.
