BOUNTY ON THE BLACKFOOT: A MONTANA LONG TABLE EVENT FEATURING CHEF BROOKE WILLIAMSON

AUGUST 19, 2017

This August, take a tour through Montana’s vast culinary traditions with one of the country’s most celebrated chefs as your guide. Join 2017 Bravo *Top Chef* winner Brooke Williamson as she creates a true farm-to-table tasting menu before your very eyes. She’ll visit the Missoula farmers market to select peak-season ingredients, then masterfully turn them into a one-of-a-kind dinner. By evening, you’ll sit down to dine on the banks of the legendary Blackfoot River with the local purveyors who helped make your meal possible.

It’s what *Tasting Table* calls the #1 Best Chef-Led Food Tour Around the World. And it’s the most delicious way we could think of to celebrate the Montana harvest.
