THANKSGIVING WEEKEND AT THE RESORT AT PAWS UP | NOVEMBER 22–26, 2017

This Thanksgiving, your family is invited to gather at The Resort at Paws Up for a weekend filled with generous portions of activities and excursions. From cozy movie nights and fireside s'mores to hayrides, owl watching and exquisite wine from featured vintner Rombauer Vineyards, there's something on the menu for everyone.

Of course, we haven't forgotten the feast itself. For Thanksgiving dinner, you and yours can sit down to a spectacular spread at Pomp, or opt to have a private, plentiful meal brought to your home and whisked away when you're done. And that's just one portion of a weekend filled with sumptuous, locally sourced fare brought to you by our world-renowned Executive Chef Ben Jones.

We sincerely hope you'll join us for an unforgettable Thanksgiving weekend at The Resort at Paws Up. We'll take care of everything—you just make the memories.
