WINTERFEST'S CULINARY WONDERS**

WOW, WHAT A DAY. Thanks to everyone who helped us celebrate America's 242nd birthday at The Resort at Paws Up. A patriotic tug enveloped us all as we watched the uniquely Montanan parade trot on by against the sun-dappled Garnet Mountains. This year's Fourth of July celebration was packed with festivities, and every minute was quality time as families found fun by the bushel (with activities here at the ranch) and by the boatload (with river and lake adventures, as well). All of it was capped off by a fireworks extravaganza worthy of Montana's Big Sky. So here's a big tip of Uncle Sam's hat to all of our Fourth of July revelers and staff—hope you'll join us again next year!

★ A TIP OF ★ UNCLE SAM'S HAT TO OUR GUESTS

I THINK WE PROVED THAT MONTANA REALLY IS THE HEART OF GOOD TIMES IN AMERICA. Thanks so much to our guests of all ages and our fantastic staff, who all were so willing to participate in our traditions and a little bit of craziness. No kid said “I’m bored” as they strode along on horseback, hopped to it in gunnysack races and gleefully sank our staff members into the dunk tank. Whether we were stuffing our faces with watermelon or tapping our toes to really great music, this was an epic celebration. No wonder the Fourth of July at Paws Up has become a tradition for so many families. I’ve already got some great ideas for July 2019. See you then!
