

# THIS THANKSGIVING, GO FROM FARM TO TABLE TO HORSEBACK TO HOT TUB.

THANKSGIVING WEEKEND AT THE RESORT AT PAWS UP | NOVEMBER 21-25, 2018

# THANKSGIVING WEEKEND AT THE RESORT AT PAWS UP | NOVEMBER 21–25, 2018

This Thanksgiving, save room on your plate for a family-style adventure in Montana. Kids will delight in game nights, crafts and up-close encounters with animals, while adults can watch pro football, shop and partake in distillery demonstrations. Then, round up the entire family for touch football, wagon rides, horseback riding and so much more. Afterwards, you'll all retreat to your spacious, private luxury home and even soak in the hot tub under the stars.

Naturally, the centerpiece of the weekend is a spectacular Thanksgiving meal. Paws Up Executive Chef Sunny Jin is joined by our special guest chef, Chicago's Charlie McKenna, to bring you an unforgettable farm-to-table feast. In fact, you'll be dining on their incredible creations all weekend long, paired with fine vintage wine to enhance every last bite.

After one Thanksgiving in Montana, we think you'll agree—it's the best weekend of the year for everyone, young and old.
