JOIN US FOR THE WONDER WOMEN OF FLY-FISHING ONLY AT THE RESORT AT PAWS UP | SEPTEMBER 11-13, 2020

Let's get one thing straight: tight lines aren't just for men. Fly-fishing's only requirement is a love of the outdoors. And this fall, The Resort at Paws Up has an event just for you. Missoula's tough-as-nails Air Force veteran Kelly Harrison will be teaching workshops and guiding tours of our legendary local rivers. Come learn the ins and outs of fly-fishing, explore epic stretches of wilderness and feel the tug of a native westslope cutthroat at the end of your line.

Whether you're trying the sport for the first time or ready to take your skills to the next level, you won't want to miss this chance to join fellow females out here on the water.

RATES START AT \$1,733.65 PER PERSON FOR A TWO-NIGHT STAY, INCLUSIVE OF TAXES AND FEES.
BASED ON SINGLE OCCUPANCY IN A LUXURY TENT AT MOONLIGHT CAMP.
