ANOTHER GLORIOUS FALL WINE WEEKEND WITH CHAPPELLET AT THE RESORT AT PAWS UP | NOVEMBER 8-10, 2019

FALL WINE WEEKEND WITH ONE OF NAPA VALLEY'S FIRST FAMILIES

CHAPPELLET AT THE RESORT AT PAWS UP | NOVEMBER 8–10, 2019

Considered some of Napa's finest terroir, Pritchard Hill has been synonymous with exceptional wines for 50 years—always under the watchful eyes of the Chappellet family. Reward your inner oenophile by spending a weekend with Dominic and Amy Chappellet, the husband and wife duo behind the label's most recent award-winning vintages. You'll have ample chances to take in their stories of grape growing on Napa's eastern slopes and attend seminars dedicated to unveiling the secrets of winemaking. Also, there will be no shortage of perfect pairings to go with plated masterpieces created by Paws Up Executive Chef Sunny Jin.

Along with Paws Up's culinary wonders, The Resort lets you experience Mother Nature at her fall finest. You'll notice a slight nose of huckleberry, with earthy undertones and hints of cedar as you explore on horseback or via vivid hikes (followed, of course, by a visit to the spa). Wherever you go, a glass of Chappellet Cabernet Sauvignon will be nearby.
