JOIN CHAPPELLET AND MELVILLE AT THE RESORT AT PAWS UP® | NOVEMBER 6–8, 2020

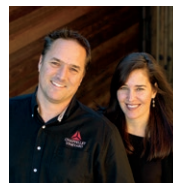

IMAGINE TAKING IN THE DRAMATIC LANDSCAPE OF WESTERN MONTANA, a glass of fine vintage wine in hand. Better yet, add in the expert winemakers themselves for an immersive experience that's every oenophile's dream.

Get to know third-generation winemakers Amy and Dominic Chappellet as they lend their knowledge and pour their world-renowned vintages. Chad Melville will join them to share stories behind Melville Winery, named one of *Wine & Spirits* Magazine's Top 100 wineries in the world in 2018.

Paws Up will serve up the perfect pairings all weekend long, from one-of-a-kind adventures in the Montana wilderness to stunning cuisine from Executive Chef Sunny Jin. Your private wilderness home with a hot tub under the stars will serve as the perfect finish.
