THE RESORT AT PAWS UP | FEBRUARY 14–17, 2020

Few things can compete with the majestic beauty of Montana in wintertime. But we're sure you'll agree that for a few magical days in February, WinterFest at The Resort at Paws Up will definitely be one of them.

As culinary events go, it truly has no equal. Imagine your every meal personally designed and prepared by the likes of a James Beard Award winner, a *Top Chef* winner and a world-renowned pastry chef. Each course is smartly paired with wines of international acclaim from Oregon by way of Burgundy. Add to this a dash of wintertime activities you'll experience nowhere else—from curling lessons to skijoring to hot air ballooning—and you have the recipe for the adventure of a lifetime.
