## PHOTOGRAPHY COLLECTIONS

### Simple Portrait Sitting \$375

During the Paws Up Simple Portrait Sitting, our acclaimed resort photographer will capture the quintessential family portrait. Schedule a 30-minute session and have your family pose with Big Sky Country as the beautiful backdrop. Great as wall art or for your holiday cards!

- 30-minute casual photo shoot
- Choice of location: chuck wagon or meadow behind Pomp
- Professional image retouching and enhancements
- Photographs available on a private online gallery
- Receive a wooden Paws Up frame with a photo from the session

### Legacy Portrait Sitting \$650

Large families and groups will love our extended portrait session. Ideal for multigenerational families, the Legacy Portrait Sitting will focus on making portraits and candid photographs of your entire family together. During the sitting we will take time to break into smaller family groupings.

- One-hour casual photo shoot (additional time \$200 per hour)
- Photographer will meet you at the Wilderness Outpost or at your home or camp
- Choice of locations: river / mountain / meadow
- Professional image retouching and enhancements
- Photographs available on a private online gallery
- Receive a wooden Paws Up frame with a photo from the session

### Large Format Film Sitting \$900

The Large Format Film Sitting will focus on making portraits of your entire family together and will allow time for breaking into smaller family groupings. Instead of using a digital camera, your portrait artist will utilize large format film's unique ability to capture natural light and provide rich prints with warm, almost glowing tones.

- One-hour casual photo shoot (additional time \$200 per hour)
- Photographer will meet you at the Wilderness Outpost or at your home or camp
- Choice of locations: river / mountain / meadow
- Professional image retouching and enhancements
- Photographs available on a private online gallery
- Receive a wooden Paws Up frame with a photo from the session

### Day in the Life at Paws Up Starting at \$1,500

Let us help you tell the story of your experience in Montana at *The Last Best Place*. Our resort photographer will capture casual portraits and dynamic candid photos. We will preserve your memories with a custom-designed photography book.

- Casual photo shoot of two activities
- Professional image retouching and enhancements
- Photographs available on a private online gallery
- Custom 20-page hardcover photo book
- Receive a wooden Paws Up frame with a photo from the session

## VIDEOGRAPHY COLLECTIONS

### Legacy Video Session \$650

Large families and groups will love our video sessions. Ideal for multigenerational families, the Legacy Video Session will focus on documenting your entire family together during one of your activities.

- One-hour casual video shoot (additional time \$200 per hour)
- Filmmaker will meet you at the Wilderness Outpost or at your home or camp
- Choice of locations: river / mountain / meadow
- Professional video editing

### Day in the Life at Paws Up Video Starting at \$1,500

Let us tell the story of your experience in Montana at *The Last Best Place*. The Day in the Life Video will cover two of your activities as you explore the rivers and mountains at Paws Up.

- Casual video shoot of two activities during one day
- Filmmaker will meet you at the Wilderness Outpost or at your home or camp
- Choice of locations: TBD
- Professional video editing

To book a session with Paws Up Resort Photographer Stuart Thurlkill, contact the Wilderness Outpost at 406-244-7351 or Concierge Services at 406-244-7334.

*CANCELLATIONS: All cancellations require 24-hour advance notice. All cancellations made within 24 hours, including "no shows," will be charged full price. Guests will not be charged for sessions canceled due to extreme weather conditions. Changes made to bookings within 24 hours may result in a service charge.*

## PHOTOGRAPHY INSTRUCTION

### Group / Private Lessons \$750

Give your kids (and yourself!) the chance to explore the world from a bird's (or a worm's) point of view. Participants will gain a better understanding of light, composition and color, as well as a deep appreciation for nature. At the end of the workshop, you will have a collection of photographs to cherish from your time in Big Sky Country.

### Wilderness Workshops: Photography with Stuart

- **Sunset Photography** Join Stuart Thurlkill for a brief tutorial on how best to capture subjects and landscapes in the setting sunlight, and then venture out into the field together to take photos. Bring your camera, or feel free to use the one on your phone.

Complimentary

- **Nature Walk Photography** After a quick tutorial of camera (or smartphone) fundamentals, you'll be transported to a scenic drop-off point along the Blackfoot River, where you'll hike with Stuart Thurlkill to enjoy and document Montana's unique flora and fauna firsthand.

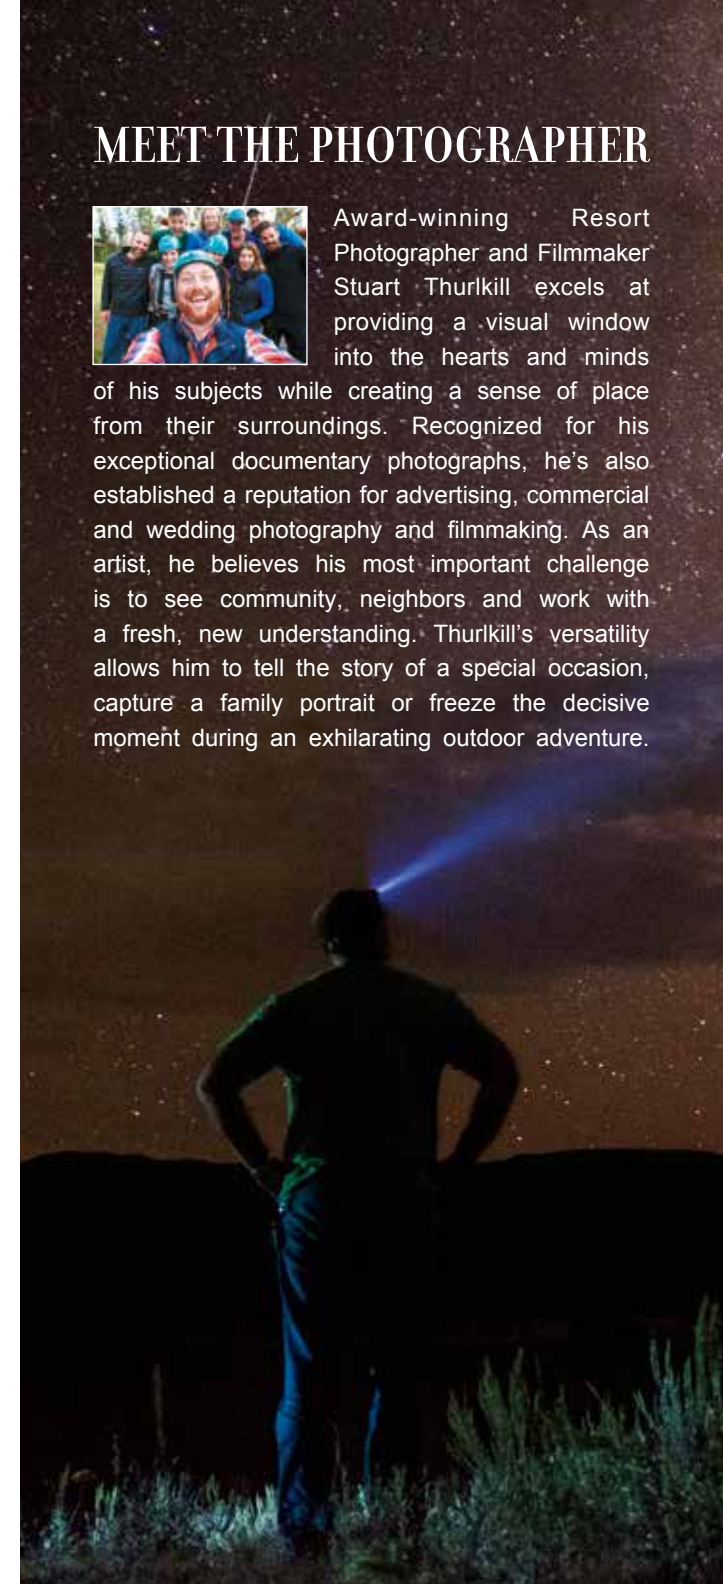

\$75 per person

*Inquire about dates.*

## MEET THE PHOTOGRAPHER

Award-winning Resort Photographer and Filmmaker Stuart Thurlkill excels at providing a visual window into the hearts and minds of his subjects while creating a sense of place from their surroundings. Recognized for his exceptional documentary photographs, he's also established a reputation for advertising, commercial and wedding photography and filmmaking. As an artist, he believes his most important challenge is to see community, neighbors and work with a fresh, new understanding. Thurlkill's versatility allows him to tell the story of a special occasion, capture a family portrait or freeze the decisive moment during an exhilarating outdoor adventure.
