>> SET AGAINST THE BREATHTAKING VISTAS OF BIG SKY COUNTRY, PAWS UP UNITES RUGGED CHARM WITH UPSCALE ELEGANCE.

**glitter & GRIT*

nestled in the heart of the montana wilderness, this serene luxury retreat is a hidden gem rife with wild west allure—you will love the range of activities, as well as the sweet taste of mountain fresh air.

RUSTIC ROMANCE: What better setting to start your married life than in one as pastorally beautiful as Montana? Let the sublime combination of babbling brooks, craggy peaks, and striking pine forests inspire your sense of romance and thirst for exploration. Relish in endless amenities in a place where nature still remains pure.

CELEBRATION OPTIONS: Make your country-chic wedding dreams come true by tying the knot (or lasso) in the property's recently refurbished Bull Barn. In a bygone era, the barn played host to Black Angus cattle, but now the awe-inspiring space—situated in Paws Up Village—serves as the perfect spot to say "I do." The Great Angus Hall is perfectly outfitted for a farm-fresh fete, whether it be an intimate celebration for 30 or a grand affair for up to 120.

PROPERTY PERKS: Situated on 37,000 acres of pristine ranchland, The Resort at Paws Up is equal parts rough-hewn romance and spirited adventure. From the resort's robust menu of activity options—think dog sledding and sleigh rides in the winter and hot air balloon rides and equestrian lessons in the summer—there's no shortage of amenities to keep your guests' interests piqued. Set the mood before your big day the most relaxing way by kicking back in the tranquil Montana Spa, where you can indulge in treatments like the Montana Gold Rush-Gold Flake Oil Massage and the Apres-Adventure Couples Massage.

ACCOMMODATIONS: Whether you opt for one of the resort's exclusive home rentals or signature luxury camping options, you're sure to be comfortable. While both choices are cozy as can be, the resort is known for being a glamping pioneer. They have five incredible campsites—including the new Cliffside Camp—that offer spacious tents (with plush beds), dining, and lounge facilities.
