

XOJET[®]

OUR BIG SKY JUST GOT A LITTLE CLOSER.

INTRODUCING PRIVATE JET SERVICE TO THE RESORT AT PAWS UP[®]

Our Latest Adventure? Blazing Contrails

Clearing a path from your neck of the woods to our Ponderosa pines, Paws Up is thrilled to introduce private jet service by XOJET, the leader in on-demand private travel. Now you can book on-demand personalized flights to and from Missoula International Airport, just 35 minutes from The Resort. And customized itineraries can be designed around your schedule, not the airlines'.

As soon as you land, you're greeted on the tarmac by a member of the Paws Up staff and whisked straight to your accommodations, where you can rest and relax. Of course, with high-touch personalized service like this, you might just want to hit the ground running. After all, there are no limits to the adventure, rejuvenation and self-discovery you'll find at The Resort at Paws Up.

Put Your Paws Together for XOJET.

Carefully chosen to provide the highest level of service, XOJET is a seamless extension of your Paws Up experience. Book your customized travel to and from cities all over North America. XOJET customers save approximately 30% over the cost of fractional jet ownership and 20% versus jet card programs.

From There to Here in an Instant By flying privately, you're in control of all the details of your trip. You can choose from a complete suite of flight solutions—from on-demand charter flights to programs customized specifically to your needs.

XOJET provides access to comfortable, direct travel from wherever you choose. In addition, XOJET is pleased to offer Paws Up guests with fixed, discounted pricing. Get direct service to Missoula, Montana, from the following cities and airports.

REGION	AIRPORT CODE	AIRPORT
Atlanta	PDK	Peachtree-DeKalb
Bay Area	SFO/OAK	San Francisco/Oakland
Boston	BED	Bedford
Chicago	MDW	Chicago Midway
Dallas	DAL	Dallas Love
Houston	HOU	Houston Hobby
Los Angeles	VNY/LAX	Van Nuys/Los Angeles International
Miami	MIA/OPF	Opa Locka
New York	TEB/HPN/FRG	Teterboro/White Plains/Farmingdale
Palm Beach	PBI	Palm Beach International
Seattle	SEA	Seattle-Tacoma
Washington, D.C.	IAD	Washington-Dulles

Your Plane Awaits. Paws Up guests have priority access to the entire fleet of XOJET Challenger 300 and Citation X jets. Seating accommodates up to 9 passengers on the Challenger 300 and up to 8 passengers on the Citation X.

Challenger 300

A sophisticated, transcontinental, high-performance jet, the Bombardier Challenger 300 meets private customer needs like no other aircraft in its category. The Challenger seats 9 passengers.

It boasts a large cabin, coast-to-coast range, short airfield takeoff and landing advantages, exceptional performance even under high-altitude conditions and a cruising speed of 620 miles per hour.

Complimentary Wi-Fi, in-flight entertainment and pre-stocked amenities included.

Luggage Capacity: 8 soft-sided golf bags, 8 medium-sized roller bags

Citation X

The Cessna Citation X is the fastest cross-continental business jet in the world. While it stands out for its radical edges, it's the scientific intention behind the streamlined design that makes this jet suitable for savvy flyers. It seats 8 passengers.

With a top speed of 700 miles per hour, the Citation X is powered by massive Rolls-Royce engines designed for commercial airliners. This private aircraft covers one mile every six seconds, shrinking a Los-Angeles-to-New-York flight to four hours—an hour faster than conventional business jets.

Complimentary Wi-Fi, in-flight entertainment and pre-stocked amenities included.

Luggage Capacity: 4–6 soft-sided golf bags, 4–6 medium-sized roller bags

Exclusive Pricing XOJET offers The Resort at Paws Up guests year-round fixed-rate pricing to and from Missoula Airport from cities across the country. Standard pricing applies for cities outside of this list. Rates represent one-way and roundtrip starting pricing, including fuel, landing fees and 7.5% Federal Excise Tax (FET). XOJET reserves the right to provide either a Citation X or a Challenger 300 super midsize jet. Rates represent flexible departure times (+/- 1 Hour). Guests can, however, request a preferred aircraft type and/or a firm departure time for an additional fee. Peak day restrictions may apply.

Serving Cities Coast-to-Coast
