Y'ALL READY FOR THIS?

Her debut single, "Wasting All These Tears," went platinum, and now Cassadee Pope's on tour with Tim McGraw.

western

Rustic chic is back.

We love a revival, but it got us thinking—why does rodeo style resurface every few years? What's the zeitgeist's fascination with the Wild West? Sure, the boots are cute, and fringe makes us want to hit up Bonnaroo, but maybe it's the stake-your-claim philosophy that the trend embodies that we really crave. There's this cultural desire, humming beneath our structured lives, to break out of the box, to pioneer new territory. So whatever your Wild West is—training for a 10K, penning a novel, asking for a raise—let these pieces remind you to take the reins and go for it.
