

WINTER WONDERLAND SPA SPECIALS 2018-2019

Indulge your senses and come visit us at the spa,
now located at the beautifully restored Morris Ranch House.

CINNAMON-COVERED PINE CONE TREATMENT

This treatment begins with a pine cone scrub made from real pine cones infused with cinnamon. The therapist will slough off dead skin cells from your hands and feet with the cinnamon pine cone scrub. Then, the scrub is removed with hot towels. The treatment ends with you dipping your tired, weary feet into a cinnamon paraffin bath, which will help moisturize those paws and settle you in for the winter.

30-minute treatment: \$115

CANDIED PECAN SUGAR SCRUB

Enjoy a sweet, moisturizing candied pecan sugar scrub. The rich oil of the pecans, exfoliation from the sugar and a bit of tightness from egg whites will have you ready for a memorable sleigh ride. The therapist will exfoliate the skin with the candied pecan sugar scrub on either just the hands and feet or the full body. Then, the scrub is removed and you are rehydrated with a candied pecan body moisturizer.

30-minute treatment (hands-and-feet): \$100

60-minute treatment (full-body): \$185

GINGERBREAD SUGAR SCRUB

This brown sugar body scrub is a combination of cinnamon, cloves, ginger and vanilla essential oils mixed with molasses. The scrub will exfoliate the skin to leave you gleaming and glowing by the night's fire. After the scrub is complete, you will shower and return to the massage table for an application of vanilla shea butter.

30-minute treatment (hands-and-feet): \$100

60-minute treatment (full-body): \$185

POMEGRANATE GEL SCRUB

Enjoy silky smooth skin with a fruity, pomegranate-scented exfoliant that polishes and nourishes at the same time. This treatment begins with a full-body or hands-and-feet scrub. The scrub is made with aloe vera gel, lime, lavender, pomegranates and witch-hazel-infused grapefruit, and it is hydrating and exfoliating. Once the scrub is removed, the therapist will apply a pomegranate-infused body cream.

30-minute treatment (hands-and-feet): \$100

60-minute treatment (full-body): \$185

SPICED CIDER HOT STONE MASSAGE

Become one with the wonderful smell of our Spiced Cider Hot Stone Massage. The therapist relaxes your muscles with hot stones while the aroma of cinnamon, cloves and oranges takes you into pure bliss.

60-minute treatment: \$200

CRANBERRY SPLASH FACE TREATMENT

Boost your skin cells with this antioxidant-rich face treatment. The treatment starts with a hydrating face cleanser. Then, the therapist will remove the cleanser and scrub dead skin cells off with an adzuki bean mask. The therapist will then apply a mask made from cranberries, honey, yogurt and olive oil. While the mask is setting, you have the option of a hands-and-feet massage. This mask is super-hydrating and regenerates cell growth. The treatment ends with application of a cranberry-infused hydrating cream.

30-minute treatment: \$120

60-minute treatment: \$220
